

Eshquaguma Country Club ECHO

Volume XVI, Issue 3 • July 2023

FROM THE PRESIDENT

Dear ECC Members,

Time is passing too quickly, with the 4th of July almost here! We've had great weather, but unfortunately not enough rain for our course. July will be a busy month so keep an eye on the Club's calendar in the directory, *Echo*, and "Week at a Glance" and watch for sign-up sheets in the Clubhouse.

Stop into the ProShop to see our beautiful merchandise and take advantage of 20% off on most everything from July 1-4. Also, our Tuesday night golf events are a great time for players of all levels, so please sign-up and join us. And it is a good time for a mid-season lesson from Club Pro Jason.

The fundraising effort is going well, but we still hope to sell many more tickets. If you wish to buy tickets (\$100 each), please email Nate Lehmann at NLehmann@caduluth.com. As an added incentive, for every future raffle ticket sold, you will get 30% off on one item in the ProShop. Raffle prizes will be awarded on July 4th at the Clubhouse, and the silent auction will be ending that day as well. If you have any items to donate for the silent auction or raffle, notify Nate or drop them off in the ProShop.

ECC is having a great year, with 25 new members. Thank you our employees and volunteers who continue to make ECC a special place.

Please join us for the Grand Opening of the Grill Room and Ribbon Cutting Ceremony at the Clubhouse on Sunday, July 2nd. We hope you all have a wonderful summer at the Club!

Best wishes, *Tim*

'23 Youth golf & tennis clinics

Once again, the youth golf and tennis weeks at ECC were enjoyed by all. We had 40 golfers and 11 tennis players. Plus, there were even some adults learning the rules of pickleball. We can't thank the volunteers enough for helping to make this event a success. As part of the week's activities, we had many at the picnic enjoying the hot dogs, chips, beverages and some swimming.

Thanks to Luke Soderling for offering his fun Pontoon boat after our last day of camp! Nothing better than going swimming after a hot week at camp!

It's time for the "Name a Chair" Fundraiser

A few years ago, ECC members purchased a name plate for a chair in the Grill Room. With the new addition to the Grill Room, we purchased an additional 20 chairs. We will once again sell a name plate for these chairs. The money generated from this, will be used for the continued renovation of the Clubhouse.

Chair name plates are being sold at \$200 each. We have 20 chairs for this fundraiser. First come first served. Please complete the form below. For questions, you may contact the ECC Ladies Decorating Committee: Terri Nelson 218-398-3021, Barb Richards 218-290-7578, or Becky Reagan 612-720-9856

Outside Alcohol on ECC Golf Course

Our liquor license requires that all alcohol consumed in the clubhouse and on the golf course must be purchased from ECC. Violations to this policy can result in loss of our license.

We will be having specials on beer/alcoholic drinks and will continue the 15% special on coolers bought in the Pro Shop. When buying beer/drinks for consumption on the golf course, we are offering "Buy 3, get 1 free" in the clubhouse and from the beverage cart. We will also be placing a sign at the 1st tee box stating, "No Outside Beverages Allowed". General Club Rule #2 on page 25 states "No Consumption of Alcoholic Beverages on Club common grounds (Clubhouse area and Course) unless beverages were purchased from the Club".

We appreciate your cooperation!

Chinese, Japanese and Banded Mystery Snails

Chinese, Japanese, and banded mystery snails can form dense populations and outcompete native species for food and habitat in lakes and streams. They are intermediate hosts for parasitic worms and can transmit trematodes that kill waterfowl. Banded mystery snails (BMS) prey on fish embryos. Shells often litter shorelines and clog screens of water intakes.

Native to Asia, Chinese (CMS) and Japanese mystery snails (JMS) were shipped to California in the late 1800s for Asian seafood markets. CMS were likely released into the

Niagra River in the 1930s. JMS were stocked in Lake Erie as food for channel catfish in the 1940s. BMS were released into the Hudson River in 1867. Historically, they spread due to release by aquarists and consumers who purchased them from live markets. Some speculate, without evidence, that young may spread by bait buckets and boat bilges. They can survive out of water for days by closing their shells.

Eradicating mystery snails is nearly impossible. Your actions and your help reporting new infestations are vital for preventing their spread.

Congratulations to Bowen Anderson!

Bowen Anderson - age 12, just caught this 34" northern off the family dock on Lake Esquaguma. Bowen is the son of Melissa & Rob Anderson.

The Great Medallion Hunt of '23

Sponsored by the ECC Men's Club

Welcome to another season and the hunt for the ECC Medallion! For new members, this is a scavenger hunt tradition started by the ECC Men's Club in 2014. Frequent clues will be issued through the Club's digital platforms leading up to the 4th of July. And sometimes, you need to grab a clue from prior releases to get going in the

right direction! Nonetheless, it's proven a family fun event for members old and new. When you find the famed medallion, remember it can come in many shapes and sizes and it'll be clearly marked. Let the ProShop know to claim your \$100 gift certificate. As always, be sure to take a picture of the winning hunters! Good luck!

CLUE #1: Welcome again to another 4th of July at Esquaguma and the famed medallion hunt sponsored by the ECC Men's Club. As we celebrate America and this year's Wild West theme, let's not forget Washington is not a place to live in. The rents are high, the food is bad, the dust is disgusting and the morals are deplorable. Go West, young man, go West and grow up with the country.

The ECC Ladies Cultural Committee is proud to present...

Join us for fine dining & an evening of song, stories and great fun

A Virginia, Minnesota native, **Paul Metsa** is a legendary musician, songwriter, author, social activist & dog lover. *Huffington Post* called him "the other great folk-singer from Minnesota's Mesabi Iron Range". He has released 12 original recording projects, played more than 5,000 professional gigs and has won seven Minnesota Music Awards. Folks say "he is as likeable a narrator as ever graced a barstool". He lives in Duluth with his faithful rescue dog, Blue.

Alphabet Jazz is a collection of songs, poetry and stories that Metsa wrote between 1984 and 2022. Metsa describes it as "a

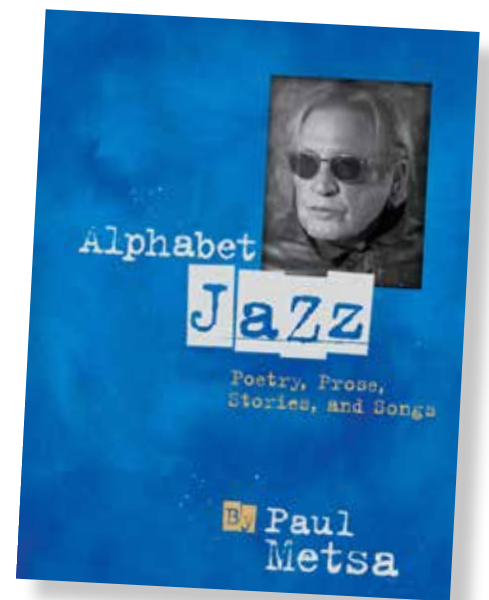

personal diary of sorts – midnight blasts of inspiration, personal tributes to musicians and friends, true stories and songs I have written along the way that I still perform".

Safety Reminder

This coming weekend more than ever – we remind everyone about cart safety! Everyone loves ECC not only for the hidden gem it is but for the community it fosters. It's important to remember that members enjoy the Club in many different ways. It's the members' responsibility to educate their children & guests on proper etiquette and behavior at ECC. Here are a few points to remember:

Slow down! The speed limit on White Pine Lane is 15 mph; kids and dogs are all over!

Watch out! Be mindful of walkers & runners on the trails in the woods.

Be careful! The driving range is meant for practicing golf shots, not horsing around on a golf cart.

No guns! No airsoft guns are allowed on Country Club property.

Have fun! There is still a lot of fun to be had while respecting ECC property and fellow members.
