2022 MEMBERSHIP PROGRAMS

Eshquaguma

COUNTRY CLUB

Established 1915

Eshquaguma Country Club

The Eshquaguma Country Club started in 1914 when the Colvin-Robb Lumber Company finished harvesting lumber from its holdings on Lake Eshquaguma. After tearing down the lumber camp they built a small shelter where the owners, their families and friends could come for picnics. Frank Colvin and John Robb then decided to give, from their holdings, a sizable piece of land for a club to build a golf course, the first north of Duluth. Today's club was incorporated in 1915, making 2022 the 107th anniversary of our Club!

As a private nine hole, 18 tee, par 72 course with a full service dining room and bar, we are now in our 106th season. There are several categories of membership available to include everyone (see text at right). Corporate memberships – both resident and non-resident – offer unlimited access

to our well respected golf course, putting and pitching greens, cart rental and storage, a driving range, locker room and shower.

In addition, all memberships have full dining room and bar privileges, tennis courts, picnic grounds, boat launch and lake access, walking trails, full service pro shop, children's golf and tennis clinics, several all-club membership parties and festivities, full club directory, ladies club luncheons and weekly bridge groups. And of course the opportunity to expand your network and make new friends.

Eshquaguma Country Club is a family oriented club. The members believe it is a special asset to the area and are supportive of the areas quality of life. For more information contact any member or call the Pro Shop at 218-865-4706.
